BRISTOL BISTRO

Welcome to **Bristol Bistro**

A fine “in town” eatery.

Hours: Wednesday–Friday 10:45 a.m.–12:15 p.m.

All foods are prepared and served by the students in the Culinary Arts Department under the supervision of certified chefs. Our kitchen and dining room are organized along the lines of a hotel restaurant or private club with student chefs being trained in all work stations under the rigid standards of the food industry.

This is an *educational situation* and all students are proud of their department and its accomplishments. Please remember that your waiter may be a first-year student on his initial assignment or a seasoned second-year. Please take into consideration that our students are not professionals, but individuals involved in a learning process that depends strictly on you, the customer, and your attitude toward this situation. Service not only involves your personal waiter, but includes the entire shop’s effort to produce the food served in this workshop situation. We ask for your patience and understanding if any delay or lapse in services occurs.

If you have any compliments, please don’t hesitate to share them with our students. If you have any concerns or suggestions, please notify one of our instructors.

Reservations are required for large groups. They can be made in advance by calling (860) 584–8433 x313. Food trays for all occasions are also available Monday–Friday from 9 a.m. to 1 p.m.

Thank you for your participation in our Culinary Arts program!
