

Dear Students and Parents,

Congratulations on your acceptance to the Health Technology Program at Bristol Tech. The uniforms will be different for year one and year two which requires students to buy uniforms both years in the program. Students need to have at least 2 sets of uniforms for clinical days and field trips. For the classroom students are allowed to wear any solid color scrub top and bottom (printed tops will be allowed in certain instances). Students are allowed to wear black only long sleeve shirts under the scrub tops. For clinical they should have black or white only sneakers. Sweatshirts cannot be worn in clinical so students can purchase a zip up black scrub jacket or black scrub jacket. There are scrub skirts available for purchase also. Additionally students need a watch with a secondhand. Uniforms can be purchased at Connecticut Uniform and can be reached at 203-573-9898. Please keep in mind it can take up to two weeks to get the uniforms so please plan accordingly.

**Summarized List:**

- Watch with a secondhand
- Pair of black or white sneakers
- YEAR 1: 2 sets of black uniforms (embroidered at CT Uniform)
- YEAR 2: 2 sets of Pewter uniforms (embroidered at CT Uniform)
- Uniform skirt (optional) \*You have to wear stockings also.
- Long sleeve black shirt (optional)
- Zip up black jacket / black scrub jacket \*does not have to be embroidered (optional)

Have a wonderful summer and look forward to seeing you in the Fall.

Sincerely,

Ms. Anndria Black
